Don't see a **package that fits your needs?** Do you have a **unic idea?**

If you want to **support uaMobiTech-2016**, we're ready to help you develop a tailored sponsorship package that fits your **specific targets**.

Get in touch to ask about individual arrangements.

Why you need to be a sponsor

- **Connect with top professionals**

Your brand will be advertised **at the unique event**, plenty of top professionals in the mobile industry will be there waiting to become co-creators, testers and customers of your products. **More than 300 people** attended our last event with 100 more registered on the waiting list.

- **Share your news and look for partners**

uaMobitech conference is one of the best environments **to launch and promote your new products** whilst looking for partners among our attendees and speakers. It is **a unique opportunity** to meet major players in the mobile industry, coverage of the event will be huge and we'll be continually helping you to make the most of your presence.

- **Be part of the best Conference of Mobile development in Ukraine**

We'll be with you along the way to **help you spread the word** and be part of one of the biggest mobile communities in Ukraine. We're very proud of those who have trusted us in previous edition and **we would love you to join them.**

We're open to **any kind of collaboration with you** and it would be pleasure to speak with you personally, listen to your ideas and proposals in order to close a tailor-made collaboration agreement.

Let's make the next-level event experience together!
